MOUNT GILEAD.

Mr. Clarence Dohy with two children from Urbana, Ill., has been visiting his parents, Mr. and Mrs. Thornton Dohy, and other relatives. A glorious and much needed rain gladdened the hearts of the crop growers. It was a soaker, a real nubbin stretcher and tobacco spreader.

Mr. George Jolly from Harrison county and Mrs. Conrad and children of Brookville last week visited Mr. Frank Jolly's family, his uncle and sister.

Mr. Jeff Rice's daughter is preparing to attend Bourbon College, Paris, Ky., which opens September 10th next. Miss Lizzie Clay Stone also contemplates returning to the same for her graduating year.

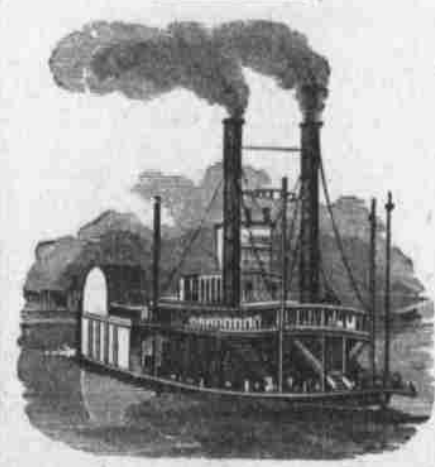

Miss Lizzie Clay Stone, by special invitation, met at the home of Mrs. Robert and Forest Lee this week several of their brother and sisters-in-law and nieces and others with the exception of Bobbie's wife (?) being absent, it is reported the party showed up an unusual display of musical talent, which all present enjoyed with extreme pleasure; made more impressive by pleasant in a like social way. The guests were Mr. Charles Pittsford Lee and wife of Pittsburgh, Mr. James Lee and daughter of Indianapolis, Mrs. William Lee of Peoria, Ill., Mrs. Dr. Hord of Orangeburg and Mr. Gilbert Hunt of North Carolina.

Mr. Tom Martin is building in Gilead with a view of store keeping. With two stores, a blacksmith shop and a feed stable, Gilead is holding her own except a deplorable condition of the grave yard, fault of the party engaged.

Completion of the Chenoweth branch of the L. and N. railroad in Bell county has opened up many new coal mines in that county and several plants are taking out large amounts of the best grades of fuel.

STEAMBOAT INSPECTORS

Making a Still Hunt and Appear When Least Expected

Enquirer.

There is considerable consternation among steamboat men over the visit of a man who is reported to be special inspector of navigable craft, and who quietly dropped into this port two days ago from Washington for the purpose of making a special inspection of all boats in this, the Seventh Inspection District. In fact, the new inspector dropped into the city without notifying local headquarters of his presence. The first known of his visit was when Captain Edgington, of the Chilo, called at the offices of the Local Inspectors of Steam Vessels to inquire about the newcomer's authority.

Since the Slocum disaster about two years ago the General Supervising Inspector of Steam Vessels has ordered that there shall be several inspections each year in addition to the regular annual examination. At the last meeting of the Supervising Inspectors of the country, held a few months ago, General Inspector Uhler recommended the appointment of a secret service to learn if the boats are always kept in the condition in which the inspectors find them on their regular visits. The inspector who is now working here goes about this business in a quiet way and asks but few questions, but he scrutinizes every bit of apparatus and paraphernalia with extreme care. He is keeping his name to himself.

Captain T. B. Cowles, who was with Sherman on his march to the sea, died in Lawrence county Monday at the age of 82.

Curtis M. Ethington and Miss Tillie Walker, both of Cynthia, were married Monday midnight at Cincinnati by Squire J. M. Smedes.

A colored Campmeeting under the direction of Rev. O. A. Nelson will be held in Beechwood Park beginning the second Sunday in September.

Mr. H. L. Hamilton left yesterday for New York to accept the position of business manager for the Great Raymond, a big vaudeville show.

The gage marks 16.8 and falling.

The big Boule Dam near Louisville is nearing completion.

Laborers on the wharf at New Orleans demand forty cents an hour for loading and unloading boats.

The rise in the river brings into use many of the larger packets that were compelled to tie up on account of the low stage.

The Natchez Democrat says that when John Sharp Williams is elected Senator from Mississippi he will see that the River and Harbor Bill provides well for the Mississippi river. Senator-elect Williams is a warm advocate of the improvement of the Ohio and Mississippi.

A history of the Ram fleet and marine brigade, which was sent out from New Albany, Ind., and Portland in 1862, has been published by Captains Warren D. Randall and Isaac D. Newell of St. Louis, who are survivors of fleet. Nine boats were sent out under the command of Col. Charles Ellet, Jr., who conceived the plan of aiding Commodore Foote at Memphis and elsewhere.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Mayville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit. A. W. McClanahan of A. W. and B. P. McClanahan, grocers, at 121 Second street, Mayville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Mayville people that this medicine had cured me of severe kidney trouble and backache that had bothered me for twenty years and seemed to be growing worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire."

For sale by all dealers. Price 50 cents a box. Foster-McIlburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

TIRED AND SICK YET MUST WORK

"Man may work from sun to sun but woman's work is never done." In order to keep the home neat and pretty, the children well dressed and tidy, women overdo and often suffer in silence, drifting along from bad to worse, knowing well that they ought to have help to overcome the pains and aches which daily make life a burden.

It is to these women that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, comes as a blessing. When the spirits are depressed, the head and back aches, there are dragging-down pains, nervousness, sleeplessness, and reluctance to go anywhere, these are only symptoms which unless heeded, are soon followed by the worst forms of Female Complaints.

Lydia E. Pinkham's Vegetable Compound keeps the feminine organism in a strong and healthy condition. It cures inflammation, ulceration, displacements, and organic troubles. In preparing for child-birth and to carry women safely through the Change of Life it is most efficient.

Mrs. Augustus Lyon, of East Earl, Pa., writes:—Dear Mrs. Pinkham:—"For a long time I suffered from female troubles and had all kinds of aches and pains in the lower part of back and sides. I could not sleep and had no appetite. Since taking Lydia E. Pinkham's Vegetable Compound and following the advice which you gave me I feel like a new woman and I cannot praise your medicine too highly."

Mrs. Pinkham's Invitation to Women
